

Employer Support of the Guard and Reserve Pro Patria Award

The Pro Patria Award is presented annually to a select group of employers by each ESGR State Committee. "Pro Patria" is a Latin term meaning "for one's country." Recipients have demonstrated the greatest support to their Citizen Warrior employees through their leadership and practices, including adopting personnel policies that make it easier for employees to participate in the National Guard and Reserves. This is the highest level award bestowed by an ESGR State Committee. Below is a partial list of the Texas employers who have received this award since 2003:
